<b>Project Description</b>	Design and deployment for Public Safety BDA system in a mixed-use high-rise office building in Downtown Fort Lauderdale.  Address: 201 East Las Olas Blvd, Fort Lauderdale, FL 33301.
<b>Please describe the innovative nature of this project</b>	The Main Las Olas is a 1.4 million-square-foot, mixed-use office. It was a project of significant impact in South FL, built and managed by Stiles had articles about it in magazines such as Miami Herald, South Florida Business Journal, Urban Land, Globest.com, Sunsentinel, CoStar, and many others. During the Public Safety BDA project MPBX team showed expertise, agility, and promptitude to keep the best possible relationships with the other trades, with the customer and authorities in charge. The project was successful without unpredictability and a happy client that left us with a beautiful "Thank you" letter. The Main Las Olas redefines the city's epicenter, and MPBX is proud to be part of this project.
