Wireless Tech and Policy Summit

May 24, 2023 | Washington, DC

Safer Building Coaliton Wireless Tech & Policy Summit

May 24 | Washington, DC | National Housing Center

Bringing together Industry Tech Leaders and Policy Leaders to talk about the opportunities and challenges found at the intersection of wireless policy and wireless technology.

May 24, 8AM - 6PM

- **Conference and Exhibition**

You'll enjoy a full day of insights, including:

- **Keynotes**
 - Brendan Carr – FCC Commissioner
 - Others TBA
- **Broadband Infrastructure Funding**
 - Major agency projects ready to go!
- **School Safety and Wireless Communications**
 - How can in-building help keep our communities safer?
- **User Equipment Evolution**
 - Direct Mode, HPUE, Hybrid Handsets, Satellite to Mobile
- **How will we use 4.9GHz and 6GHz?**
 - Public Safety and In-Building implications
- **Wireless Location Accuracy**
 - Can you be located indoors when you dial 9-1-1?
- **Managing Noise and Interference in PS Comms**

We'll also leave plenty of time for networking and enjoying our nation's capital.

Keynote

Brendan Carr
FCC Commissioner
