CEO

Entrepreneur

Multiple Patent Holder

PROFILE

Dan Leaf is an accomplished executive with over 20 years in telecommunications, known for his entrepreneurial spirit and leadership. He founded and led Leaf Communications, achieving success in DAS and Small Cell solutions before its acquisition by Centerline Communications. His accolades include the Entrepreneur of the Year (Under 40) from the SBA and a finalist for the EY Entrepreneur of the Year Award. With a military background that instills discipline, Dan is currently the CEO of GUGLI Corporation, where he drives innovation and fosters team growth.

EXPERIENCE

GUGLI CORPORATION

2025 - PRESENT

As the CEO and co-founder of GUGLI Corporation, I lead the strategic direction and operational execution of innovative telecommunications solutions. My role involves fostering a culture of collaboration and growth while identifying market opportunities to drive business development. I am committed to delivering high-quality services that meet the evolving needs of our customers in the telecommunications sector.

LEAF COMMUNICATIONS, LLC

2014 - 2024

At Leaf Communications, I was the Founder & President, overseeing strategic vision and operations post-acquisition by Centerline Communications. I drove growth in Distributed Antenna Systems (DAS) and Small Cell solutions while fostering strong vendor relationships. My leadership focused on excellence in service delivery for high-quality client outcomes.

LEAF COMMUNICATION SERVICES, INC

2006 - 2014

As Founder and CEO of Leaf Communication Services, I led the company until its acquisition by Tempest Telecom Solutions. I focused on business development, securing contracts worth over \$70 million. This role helped establish strong customer alliances and deliver effective telecommunications solutions.
